Day 10 Week 3

1. Write an equation for the following:

The total fees f of a book club membership are \$10 per month m and a one-time administrative fee of \$4.75.

2. Use a mapping diagram to determine if the following points are a function:

$\{(5, 2.2), (3, 2.6), (1, 2.6), (0, 2.5)\}$
